**New Update as of 6am, February 16, 2018.** Due to impending inclement weather occurring the weekend of Friday, February 16 through Monday, February 19, the previously announced construction schedule on February 12 has been modified. The previously announced new traffic patterns to include new entrance to the "Pork Chop", slug station temporary locations, permanent closure of on-ramp from "Pork Chop" to 110 and reduced S-C permit parking at the "Pork Chop" is now projected to begin on or about 5am, Monday, February 26, subject to weather condition. The "Pork Chop" will have nightly closures from 6pm to 5am from Tuesday, February 20 to Thursday, February 22 and a second weekend closure beginning 6pm, Friday, February 23 through 5am, Monday, February 26. Towing enforced at owner's expense for vehicles remaining in the "Pork Chop" during closures.

On or about **Monday, February 26 (new date subject to weather condition)**, current slug stations (Burke/Springfield, Tacketts' Mill/Lorton/VRE, Montclair Route 234, Horner Road/Potomac Mills) will continue to be available within the Pork Chop in the same order, but in temporary locations (see diagram). Please follow signage and new traffic pattern.

Drivers are advised to travel safely and pay attention to on-road signage if traveling in this area during the closure. Visit <http://www.395ExpressLanes.com/pentagon> to view closure or travel alerts closure information.
